

Item: _____
Fiscal Impact: \$450,000
Funding Source: House Bill 242
Account No: 45-9610-40750-75120-0000

Issue:

Authorization and execution a design services agreement with Horrocks Engineering, Inc, for the 7200 West Widening Project.

Synopsis:

West Valley City will enter into an agreement with Horrocks Engineering, Inc. to produce construction drawings for the 7200 West Widening Project, from S.R.-201 to 3500 South.

Background:

As part of House Bill 242, from the 2008 State Legislative session, West Valley City was given \$2,000,000 for the construction of a roadway project on 7200 West. This street is the western boundary between West Valley City and Salt Lake County. Horrocks Engineering is being hired to design a roadway widening project on both sides of the street, from S.R.-201 to 3500 South. West Valley City will soon enter into an inter-local agreement with Salt Lake County for the design of the roadway. This agreement will allow Salt Lake County to reimburse West Valley City 50% of the design costs. During construction the costs will be paid by West Valley City and Salt Lake County proportionately to the amount of work completed on each side of the road.

Recommendation:

Authorize and Execute the Agreement

Submitted By:

Dan Johnson, P.E., City Engineer
